Global Impact

Project 528 is a comprehensive global survey to identify and understand the most pressing needs of young women diagnosed with breast cancer, their caregivers, and the healthcare providers that support them.

El Proyecto 528 es una encuesta global integral para identificar y comprender las necesidades más apremiantes de las mujeres jóvenes diagnosticadas con cáncer de mama, sus cuidadores y los proveedores de atención médica que las apoyan.

Le projet 528 est une enquête mondiale complète visant à identifier et à comprendre les besoins les plus urgents des jeunes femmes diagnostiquées avec un cancer du sein, de leurs soignants et des prestataires de soins de santé qui les soutiennent.

Project 528 ist eine umfassende globale Umfrage, um die dringendsten Bedürfnisse junger Frauen mit Brustkrebsdiagnose, ihrer Betreuer und der sie unterstützenden Gesundheitsdienstleister zu ermitteln und zu verstehen.

Il progetto 528 è un'indagine globale completa per identificare e comprendere i bisogni più urgenti delle giovani donne a cui è stato diagnosticato un cancro al seno, dei loro caregiver e degli operatori sanitari che le supportano.

プロジェクト 528 は、乳がんと診断された若い女性、その介護者、および彼女らをサポートする医療提供者の最も差し迫ったニーズを特定し、理解するための包括的な世界的調査です。

Project 528 是一项全面的全球调查, 旨在确定和了解被诊断患有乳腺癌的年轻女性、她们的护理人员以及支持她们的医疗保健提供者的最紧迫需求。

O Projeto 528 é uma pesquisa global abrangente para identificar e compreender as necessidades mais urgentes de mulheres jovens diagnosticadas com câncer de mama, seus cuidadores e os profissionais de saúde que as apoiam.

प्रोजेक्ट 528 एक व्यापक वैश्विक सर्वेक्षण है जो स्तन कैंसर से पीड़ित युवतियों, उनकी देखभाल करने वालों और उनका समर्थन करने वाले स्वास्थ्य सेवा प्रदाताओं की सबसे महत्वपूर्ण जरूरतों को पहचानने और समझने के लिए है।
